## **Outer Banks Revealed Announces “Hidden Gems” Series**

**Chester Springs, PA - July 3, 2010**

*Outer Banks Revealed.com* announced today that Judith Bailey, an Outer Banks artist, has agreed to write a monthly article on “Hidden Gems” of the Outer Banks. “We are always looking for unique and different information that we can provide to our readers, and adding Judith’s series will enhance that dimension,” stated Dan Spaventa, *Outer Banks Revealed.com*’s President and CEO.

The [OBX Hidden Gems](http://www.outer-banks-revealed.com/outer-banks-history.html) series is intended to deliver out of the way or little known places for vacationers to enjoy during their stay on the Outer Banks. This will be great information for either first time or long time Outer Banks vacationers.

The OBX Hidden Gems series is intended to deliver:

- A local’s perspective of less publicized things to see or do.
- Provide a historical perspective of the Outer Banks.
- Provide easy directions for anyone to enjoy these activities.

"We are excited about strengthening our commitment to delivering the very best information on the Outer Banks," states Dan. "*Outer Banks Revealed.com* will continue to provide unique and different online information to our readers to help them maximize their OBX vacation."
